| Community buildings and facilities on the lakefront should be designed and built to serve: | | | | | |
| Residents only. | | | | | |
| Residents and tourists. | | | | | |
| Community groups. | | | | | |
| Future redevelopment of the lakefront should promote year-round activities and uses. | | | | | |
| Museums and non-profit civic uses should be encouraged on the lakefront. | | | | | |

In addition to your feedback on the topics of today’s community planning workshop, please provide your opinion on the following projects previously proposed for the Village Center.

| Village Center Projects | | | | | |
|---|--|--|--|--|--|
| The utility and power lines in the village center should converted from overhead to underground. | | | | | |
| The Boat Trailer Parking Lot should be redesigned and reconstructed to reduce capacity and include improved landscaping and lighting. | | | | | |
| The existing chain-link fence along the municipal beach should be replaced. | | | | | |

Finally, please take a few moments to provide your opinion on the projects currently underway in the Village.

| Active Village Projects: | | | | | |
|---|--|--|--|--|--|
