**Discussion or Action on Public Safety Roof Bid – Custof foam Corporation - \$78,740.00**

Village Administrator Loomer explained that the previous Thursday was the day all bids had to be submitted for the project. The bid from Custof foam arrived in the office on Friday, and the bidder reached out the following week and asked why they were not considered. Loomer informed the bidder that the bid was received after the deadline. Custof foam was able to provide a USPS Tracking number that showed the bid was received at the Fontana post office on December 28, 2023, well before the deadline. After discussing with Village Attorney Thorpe and Village Engineer Tavera they suggested that due to no fault of their own and having the delivery receipt, that the low bid award go to Custof foam for the Safety Building Roof project.

Trustee O'Neill/Trustee Marek 2<sup>nd</sup> made a MOTION to approve and award Custof foam Corporation as the low bid in the amount of \$78,740.00 for the Public Safety Roof project, as presented, and the MOTION carried without negative vote.

**Adjournment**

Trustee O'Neill/Trustee Marek 2<sup>nd</sup> made a MOTION at 4:08 pm for the Village of Fontana members to adjourn the meeting, and the MOTION carried without negative vote.
