**Reconsider Beach Restrictions for the 2021 Season**

President Kenny stated he has received a lot of feedback after the May 3<sup>rd</sup> village board meeting about opening the beach to residents and season pass holders only, similar to what was in place last summer. Trustee Livingston stated his only concern was last summer the Village wanted to follow suit with what neighboring communities were doing, and this year all neighboring communities are opening with no restrictions. President Kenny explained it is hard to know how everything is going to go in the beginning and much easier to start smaller. Trustee Prudden agreed with not opening the beach to the greater public to start and reevaluate in June. Chief Cates agreed the long lines at the beach last summer brough many headaches, however many of our local businesses thrive when the beach is open. President Kenny stated with Chicago not opening till after the Fourth of July the Village should follow suit and do the right thing. President Kenny explained it is best to use caution and if all goes well, we can open to the public later.

Trustee Prudden/Trustee Livingston 2<sup>nd</sup> made a MOTION to approve opening the beach for the 2021 season to residents and season pass holders only and revisit at the June Village Board Meeting, and the MOTION carried without negative vote.

**Adjournment**

Trustee Livingston/Trustee Prudden 2<sup>nd</sup> made a MOTION to adjourn the meeting at 1:08 pm, and the MOTION carried without negative vote.
