

EMPLOYEE PARKING STICKERS

Your **Employee Parking Pass (EMP)** must be permanently affixed to the lower driver's side corner of your vehicle's rear window and is required to be located on the exterior of your vehicle. The sticker must be clearly visible to parking enforcement staff. These stickers are not transferable from one vehicle to another.

If your vehicle has a valid **Employee Parking Pass (EMP)**, you are allowed to park in Lot 2 and Lot 3, indicated on the map below in yellow.

Vehicles without an Employee Parking Pass visible, or a parking pass left on the dash will be ticketed. **NO EXCEPTIONS.**
