Approval of Minutes for August 22, 2018

Chanson/Snyder 2nd made a MOTION to approve the minutes from the August 22, 2018 meeting, and the MOTION carried without negative vote.

Ordinance Amendment Addressing Cost Recovery for Riparian Permits

Amendments to Chapter 54 were drafted and distributed and include the requirement of a cost recovery form for all mooring application submissions. A change was made to Section 54-125(a)(2)(e) to remove the requirement of a certified survey and instead require a scaled riparian site plan – unless the proposed moorings are proposed closer than 35 feet to the property riparian line. The updated section also states the site plan shall show the position of the proposed mooring relating to all structures within 200 feet from the riparian lines, amending the current 500 foot requirement.

Snyder/Chanson 2nd made a MOTION to recommend village board approval of the Chapter 54 ordinance amendments, as presented, and the MOTION carried without negative vote.
