Effective immediately the Fontana Fire Department is terminating temporary burning ban 06142021 for the Village of Fontana.

Recent precipitation has decreased the fire risk in the general area. Residents and visitors are strongly encouraged to be diligent with all outdoor grilling and other assorted July 4th activities such as recreational fires. Conditions in certain assorted areas such as mulch beds or under tree canopies are still dry and prone to rapid ignition. As a reminder, fireworks are prohibited in the Village of Fontana.

Please have a safe and enjoyable independence day.

Safest Regards,

Wolfgang Nitsch

Fire Chief

Village of Fontana
