

May 10, 2024 Project Update
2024 Street and Utility Improvements
 Village of Fontana-on-Geneva Lake

Remember to **SLOW DOWN in Construction Zones** and take extra precautions around construction crews, pedestrians, as well as material & equipment stored within and around the work zones. Follow all posted construction signage and/or detours.

Asphalt paving on Shabbona Drive has begun with paving scheduled to be complete from the Big Foot Country Club driveway all the way to the south gate of Country Club Estates at CTH “B” by the end of the week of May 13th. The binder course (lower level) asphalt is also scheduled for the intersection of S Lake Shore Drive and Shabbona Drive. Construction work on the north end of Shabbona Drive just south of the intersection of S Lake Shore Drive is anticipated to be wrapped up prior to the end of the month. Construction is scheduled to begin in Fontana Avenue by the end of next week or during the week of May 20th.

The anticipated construction schedule may be adjusted because of inclement weather or other factors outside of the Contractor’s control. Work by private utilities such as gas, electric, phone, and cable are not part of the Village’s Contract and may not be reflected in the above schedule. Feel free to contact Village Hall at (262) 275-6136 with any questions.
