

Village of Fontana
Public Hearing on Proposed Amendment to Comprehensive Plan

Notice is hereby given that the Village of Fontana will hold a public hearing on August 6, 2018 at 6:00 p.m. at Village Hall. The public hearing will take place at a joint meeting of the Village Board and Plan Commission.

The public hearing will be held to gather public input on proposed amendment to the “Village of Fontana-on-Geneva Lake Comprehensive Plan.” The Comprehensive Plan sets the policy for the growth, development, and preservation of the community. The proposed amendment would affect the Future Land Use Map (Map 5) of the Plan document.

On the Future Land Use Map, the proposed amendment involves changing the future land use category shown for tax parcel STFV 00025. The parcel is currently designated for “Mineral Extraction” and “Woodland and Open Space,” and the property owner has requested changing the future land use designation for the northern portion of the parcel as “Single-Family Residential (Septic).” Immediately following the public hearing, the Village will consider designating the parcel for either “Single-Family Residential (Septic)” or Single-Family Residential (Sewered).

The Comprehensive Plan and the proposed amendment are available for review at Village Hall and online at <http://www.villageoffontana.com/alerts.html>. Written comments on the proposed amendment to the Comprehensive Plan should be submitted before the public hearing date to the Village Clerk. All written comments will be forwarded to the Village of Fontana Village Board.

Dated this 28th day of June, 2018.
