

# RESIDENT PARKING PASSES

Your **Resident Parking Pass (F Sticker)** must be attached to the lower driver side of your windshield so it is clearly visible to parking enforcement staff. The stickers are not transferable.

If your vehicle has a valid **Resident Parking Pass**, there is no charge for parking in the pay to park spaces, indicated below in yellow.

Vehicles without a Resident Parking Pass visible, or a parking pass left on the dash will be ticketed. **NO EXCEPTIONS.**
