

RESOLUTION 040521-02

A Resolution Amending Resolution 040609-03 Regarding Policy for Leaf and Brush Removal

WHEREAS, the Village Board for the Village of Fontana-on-Geneva Lake desires to improve the overall appearance of the Village by controlling and regulating the method by which yard waste is handled and disposed of; and,

WHEREAS, the Village Board for the Village of Fontana-on-Geneva Lake desires to establish a policy for the removal of yard waste which will increase the efficiency of Village maintenance crews, while minimizing the adverse impact of these policies on property owners within the Village.

NOW, THEREFORE, the Village Board for the Village of Fontana-on-Geneva Lake do resolve as follows:

1. **Disposal of Yard Waste.** The Village will not be responsible for any bagged yard waste. Property owners shall be responsible for the removal of yard waste to the Village of Fontana Yard Waste Collection Site, located at the Duck Pond Recreation Area. Property owners are no longer permitted in the Compost Facility. The Yard Waste Collection Site will have two specific areas marked for yard waste: one area for leaves, grass, and plant material less than one-half inch in diameter, and a second area for any plant material greater than one-half inch in diameter. ~~The hours of operation for the Yard Waste Collection Site shall be Monday through Friday from 7 am to 3:30 pm, and Saturday from 8 am to 12 pm.~~ Yard waste taken by property owners to the Yard Waste Collection Site must be removed from any and all containers, including plastic bags and boxes. Yard waste may not be burned by property owners, per Village Ordinance.

Dumping of any non-recyclable materials such shingles, used building materials, bricks, concrete, etc., in any area designated for the receipt of Village yard waste will be subject to a \$~~500~~ 1,000 fine.

2. **Curb-Side Chipping Services.** The Village shall provide curb-side chipping services pursuant to the terms and conditions set forth in this resolution. No tree material larger than six inches in diameter will be accepted for chipping. All materials to be chipped must be stacked with the butt-ends facing the street. This service shall be provided at a cost of \$~~2.50~~ 3.00 per minute, except that the first fifteen minutes of curb-side chipping per calendar month shall be provided at no charge to the property owner. Chipping services will be provided the first and third week of each month from April through October.

3. **Leaf Vacuum Service.** The Village shall provide leaf vacuum services to property owners. ~~This service shall be provided at a cost of \$2.50 per minute, except that the first 10 minutes of leaf vacuum services per pickup shall be provided at no charge to the property owner.~~ This service WILL NOT be provided during the months of June – September, nor during the months of January-March. Property owners must deposit leaves no farther than 10 feet from their front street, but not on the pavement itself. Any leaves not picked up because they are outside the 10-foot area should be raked by the property owner closer to the street for pick-up at the next opportunity. Leaf piles shall be free of any foreign materials (stones, brush, foreign plant material, grass clippings, etc.) and the presence of such materials will prevent pickup. Leaves may not be burned by property owners, per Village Ordinance.

4. **Christmas Tree Removal.** The Village shall pick up Christmas trees and wreaths during the month of January. Christmas trees and wreaths should be placed by the property owner at curbside.

5. **Contractor Services.** With the exception of leaf removal, all contractors must include the removal of all debris and yard waste generated as a part of their work. The Village will not be responsible for

removing any contractor generated material from the curb. There will be no contractor generated waste allowed at the Village of Fontana Compost Facility, or the Yard Waste Collection Site

Dated and Approved this 5th day of April, 2021.
