October 8, 2020 Project Update

### South Lake Shore Drive Reconstruction

Village of Fontana-on-Geneva Lake

**SLOW DOWN IN CONSTRUCTION ZONES!** Be aware of construction workers, other vehicles, pedestrians, and prevent damage to properties and your own vehicle. **Expect delays and plan accordingly.** Please follow all detours and construction signage.

**Phase 1 (S Lake Shore Drive between Shabbona Drive and Indian Hills Road & Brickley Drive):** Phase 1 is substantially complete, although occasional punch list items and maintenance work may be required.

**Phase 2 (S Lake Shore Drive between Indian Hills Road and the west driveways of the Abbey Springs Entrance):** Phase 2 is substantially complete, although occasional punch list items and maintenance work may be required. Residents are encouraged to water the newly restored lawn areas adjacent to their properties to aid in a rapid and dense ground cover, however with the cold mornings it is better to water in the afternoon or evening this time of year.

**Phase 3 (S Lake Shore Drive between the entrance of Abbey Springs and approximately 1,700 feet west of Clear Sky Lodge/1,000 feet east of Abbey Springs entrance):** Tunnel replacement east of Abbey Springs is continuing and underground public utility work is expected to be complete by Friday. Road excavation is scheduled to begin next week. **No through access on Phase 3 is currently allowed.** The roadway is scheduled to be paved and open to traffic prior to Thanksgiving.

**Phase 4 (S Lake Shore Drive Phase 3 eastern limit to the eastern Village/project limits at Lake Geneva Yacht Club):** Phase 4 has been extended until Spring of 2021. Approximately 400 feet of water main in Phase 4 has been relayed as part of the Phase 3 work and a temporary asphalt patch is scheduled to be installed. All sections of S Lake Shore Drive will be paved and open to two lanes of traffic over the winter. Pavement pulverizing, underground utility installation and road reconstruction is scheduled to start up in March of 2021 with the road to be open by Memorial Day.

The above schedule may be adjusted because of inclement weather. Note that the Village Contractor is not able to provide additional work for private property owners as part of the Village construction project. Feel free to contact the Village at (262) 275-6136 with any questions.
